

## # SA18 Aerial Straps

Our high quality aerial straps are available in 3 different versions.

The 100% nylon straps offer the best quality for a low price.

For more comfort, the cotton straps with nylon core are a good option.

Finally, the Nomex® and Kevlar® straps, which offer an excellent grip and high strength, are the professional's choice.

You have to specify the total length (18' is standard) as well as the hand loops (handles) dimensions.
