

Helicopter Short Lines

Product code : **BSLR-005-3000**

DESCRIPTION

Barry short lines act as a lightweight and easy-handling intermediary between the helicopter cargo-hook and the load, when the use of a longline is not required or possible.

System Includes

- Synthetic rope longline (Dyneema® fiber)
- Master link at top end
- Permanent ID tag
- Certificate of compliance (COC)
- User instructions manual
- Transport/storage bag

Optional / Accessories

- Protective zipper jacket (recommended)
- Non-electric swivel hook at bottom end
- Custom hardware
