

Helicopter Cargo Net - Repair Kits

Product code : **HCN-RKP-A**

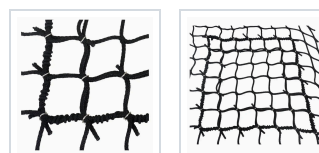

DESCRIPTION

To ensure you obtain the most out of your underslung cargo-nets, we offer kits for minor repairs. Detailed repair instructions can be found in the product user manual.

Each cargo net repair kit contains the following components:

- Repair netting (approx. 125 sq.ft)
- Metal crimps (1 pack of 100 units)
- Metal crimp pliers (1 unit)
- Lacing twine (1 roll)

Make sure you have the appropriate repair kit for your specific cargo net model.
