

Heli-Mulching Cargo Net | 3,000 lb

Product code : **HCN2020-4BHM2**

DESCRIPTION

Barry Heli-Mulching Cargo-Nets are designed to meet the unique demands of aerial mulching operations, ensuring safe, efficient, and reliable transport and release of payload over the toughest terrains. Whether it's for post-wildfire rehabilitation, erosion control, or large-scale reforestation, this cargo net is built to perform where traditional ground-based methods fall short.

System Includes

- Knotless nylon cargo net
- 4 replaceable choker lanyards with soft-eye splice & chafe-guards
- Reinforced center with marker for durability and facilitated loading
- Permanent ID tag
- Certificate of compliance (COC)
- User instructions manual
- Transport/storage bag

Optional / Accessories

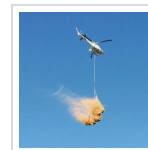

- # HCN-RKP-BC (Repair Kit for quick minor field repairs)
- # HCN-RL-BHM2-10 (10' Spare/Replacement Lanyard)
