

DH401

Sub Divo Pro Diving Harness

Full body safety harness designed specifically for commercial or professional divers.

The Sub Divo Pro has 5 anchor points certified at 5000 lbs minimum breaking strength. The integral stainless steel back plate provides 11 lbs of ballast.

Use with Barry (# LV401) diving lifeline.

Meets and exceeds CSA standard Z275-2-04 and Quebec RSST requirements for diving harnesses.
