

Longline Jacket with Single Zipper

The unique longline jacket with single zipper allows easier and faster access to your longline for inspection or replacement of electrical wire(s).

Barry longline jackets are made of durable textured nylon fabric and heavy-duty zipper.

In combination with the longline end-covers, they will offer optimal protection for your longlines, keeping dirt and UV rays at bay.

Features

- Zipper closure allows fast access to longline for inspection
- Protects the longline from abrasion, UV rays and contamination by dirt

Top-end cinch-strap detail on zippered end-cover

Longline jacket with zipper shown opened with optional inner divider for wire
